New World News Bureau

Apr 30/20

The “Deep State” is the proto-government aimed at the creation of a “New World Order” (*Novus Ordo Seclorum*), a world ruled by one government. This is undoubtedly the organization referred to by President John F. Kennedy in a speech given at the Waldorf Astoria in April 1961:

Special Feature:

James Corbet tells people of the future how we got into this mess, apologizing for having failed them.
