

The 2020-22 Pandemic Archive

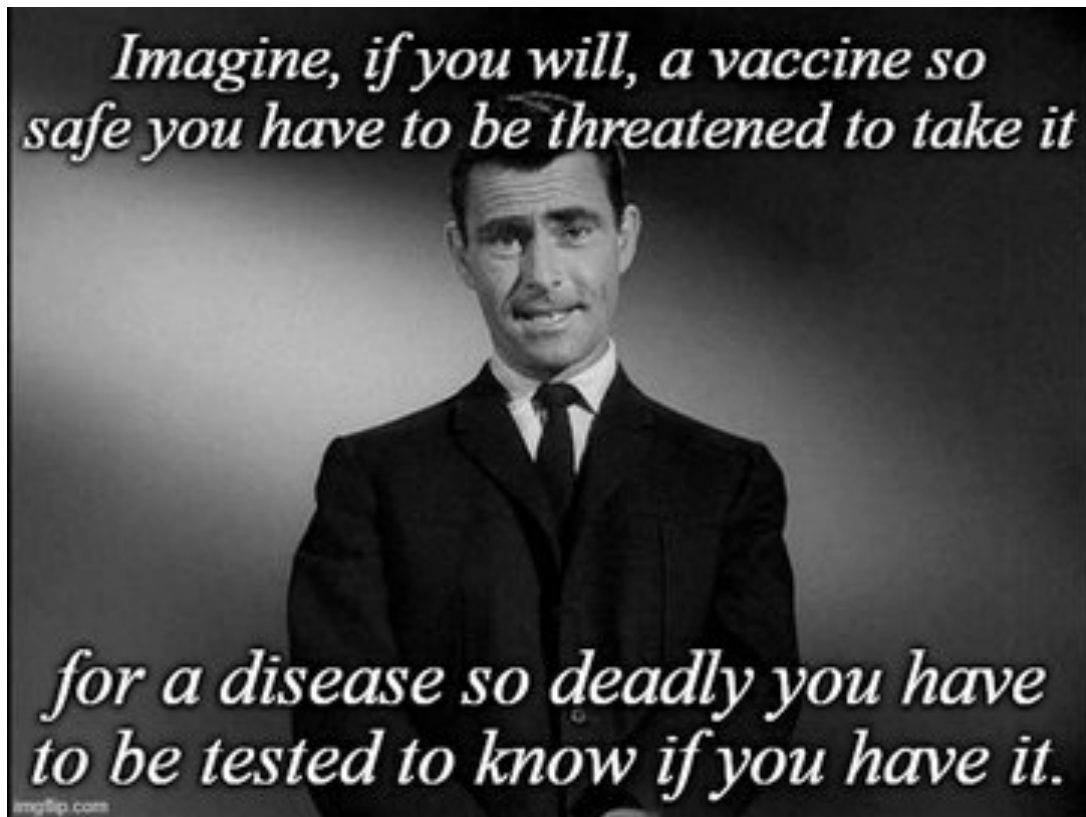

This image of a large hand reaching for a mask-wearing pedestrian, appeared in many news-papers recently. Appearing as a graphic on a public building, it symbolizes the final phase of population control by the Deep State.

The links appearing below were all extracted from past issues of the *The New World Intelligencer*. Together, they give a broad overview of the research, both journalistic and scientific, that resulted in the articles linked to. The articles have been divided into sections for ease of access. A list of medical and other dissenting professionals appears at the end of this document. Finally, a list is given of the dissenting experts with each entry accompanied by information that captures their bona fides.

This Reader is a work in progress. Links that have become inactive or have been taken down are deleted, as well as older links that have been superseded by more comprehensive references are also removed, all as an ongoing process.
